## Tempe News Notes

## ORGANIZE READING ROOM ASSOCIATION

The Tempe Reading Room Association, which was gotten under way a week or so ago, completed organization Thursday afternoon with the election of the following officers: Mrs. Chas. H. Prather, president; Mrs. D. G. Buck, vice president; N. A. Coxsey, secretary, and Mrs. Mary Craig, treasurer. A meeting of the association was held in the city hall and a goodly number of members of the old library association were present and that organization was merged into the new one. It is the purpose of the association to provide a free reading room for the people of Tempe and otherwise carry out the work of a combined reading room and library.

Starting out with a membership of more than twenty-five, the association will put on a canvass for new members with the avowed intention of enlisting everybody in Tempe as a member. A fee of one dollar will be charged all new members and there will also be an annual fee of one dollar, payable fifty cents every six months. Tempeans interested in the association and the providing of a reading room for the city will be urged to present the association with one or more new books or subscriptions for magazines. These will be added to the books formerly the property of the library association, which has turned them over to the new association.

A complete and comprehensive constitution and by-laws were adopted at the session, providing for the administration of the affairs by the executive committee and four other committees—one on finance, books, ways and means and entertainment. All the work of the organization is to be conducted through the committees. Just as soon as the president has completed the appointments their names will be given to the public. The immediate work will be the renovating, etc., of the old books, the securing of a location for the reading room and the providing of means for the execution of the plans as outlined in the constitution.

MRS. W. W. EDWARDS HERE  
Mrs. W. W. Edwards of Phoenix was in Tempe Thursday afternoon and addressed a number of citizens at a meeting in the city hall on the work of the Arizona Children's Home Society, of which she is an officer.

Mrs. Edwards said that the society had cared for 75 children during the past year and that they had 28 now in their home in Tucson. A membership fee in the association of one dollar is charged and quite a number are enlisting in the association. Mrs. C. O. Austin was appointed the local superintendent and an effort will be made to organize a local auxiliary organization at an early date.

SUNDAY SCHOOL MEN HERE  
Rev. J. D. Riley, state secretary, and Rev. W. D. Himebaugh, assistant, were here yesterday afternoon in the interest of the state Sunday school work. They visited the pastors and superintendents, securing statistics and data for the annual report to the Maricopa County association.

TEMPERANCE MAN HERE  
Rev. C. J. Banks, state superintendent of the Temperance Federation, spent yesterday in the city in the interest of a temperance rally that he wishes held here at an early date. Mr. Banks was the guest of Rev. Mr. Coxsey.

WILL HAVE SERVICE  
At the recent meeting of the local lodge of Masons it was unanimously decided to attend divine worship in a body at some one of the Tempe churches on the evening of April 2. The Revs. Wilbur Fisk, C. N. Hand and J. R. Rountree, who are members of the lodge, were appointed a committee to perfect a program, secure a speaker and arrange the place of meeting. Further plans will be made at once and the lodge will urge every member to attend.

REV. GUNNETT IN TEMPE  
Rev. A. H. Gunnnett, of the Children's Home Society of California, spent today in the city and will return Sunday to visit the various churches in order to present the claims of that society upon the support of Tempeans. The society has cared for many children and placed them in homes here and in California during the past years and has a large number of enthusiastic and interesting supporters here.

Y. W. C. A. CIRCUS  
The Y. W. C. A. girls are to have a real circus tonight in the Normal gym and a great time is planned. According to notices that they are sending out there is to be one real good time for the Normal girls, but there will be no other guests. There is to be a negro camp meeting, a minstrel show and other things galore that will perforce induce to merriment and lighten the burdens of the studiously inclined girls of the Y.

S. S. CLASSES PICNIC  
The two intermediate classes of the Christian Sunday school will leave at 9 o'clock this morning on a picnic to Echo Canyon. In a contest between the classes the losing side was to treat the other to a picnic and today the loser is host. About thirty will be in the party, which will go in autos to the picnic grounds.
